- MendIT will attempt to resolve the problem over the phone and may require your assistance in performing diagnostic procedures
- If the unit is in need of hardware repair MendIT will arrange to send an engineer with parts to a place convenient to you (UK mainland)
- MendIT will endeavour to provide an on-site engineer by the end of the next business day should the call be received by 15:00 hours-local time
- Warranty covers manufacturer's defects only

GENERAL CONDITIONS

- 1) We will make all reasonable attempts to provide the provision of service except where it is precluded by:
 - a) adverse weather conditions.
 - b) industrial disputes (official or not).
 - c) failure of the public transport system (including the road network) and repair thereto.
 - d) other circumstances preventing access to your location or otherwise making provision of cover impractical.

We shall be entitled to:

- a) decline cover if, in our opinion, the location or services have not been maintained in a safe or service able condition.
- b) decide on the most appropriate means of providing cover, although we will take your wishes into account whenever possible.

- 2) You will be responsible for any callout charges if having requested assistance access can not be gained to the equip-

ment when the engineer arrives or a fault cannot be found with the equipment.

3) If you request any additional work to be undertaken you will be responsible for the additional costs.

4) We shall not be responsible for any inconvenience, loss or damage caused by delay in the supply of spare parts or components by the manufacturer or their suppliers or agents.

5) In the event that the parts for the equipment are no longer available, or the equipment is beyond economical repair, we will provide a replacement product based on a model of the same or similar specification.

6) This guarantee is governed by and construed in accordance with the Law of England and Wales.

7) All benefits under this guarantee will be lost if a claim under this guarantee is made that is false or dishonest in any way

8) Where the equipment is deemed to be beyond economical repair and is replaced under the terms of the guarantee all benefits under the guarantee will cease.

9) In the event that there is another warranty in force covering the Registered Equipment then we shall only pay our rateable proportion of any claim under this agreement

Our aim is at all times to provide a first class standard of service. However, if you feel that this has not been achieved regarding this Guarantee please contact: -
